---

## Professional Summary

Motivated IT and Networking graduate with a Bachelor's degree in Information Technology. Strong foundation in computer networks, system administration, and troubleshooting. Currently enrolled in the **NTI Microsoft Azure Administration Scholarship**, gaining hands-on experience in cloud services, virtual machines, networking, and identity management. Passionate about learning, problem-solving, and building a solid career in IT infrastructure and cloud environments.

---

## Core Skills

- Computer Networking Fundamentals
  - Network Configuration & Troubleshooting
  - Windows Server & Client Administration
  - Microsoft Azure Fundamentals
  - IT Support & Technical Troubleshooting
  - Problem Solving & Continuous Learning
- 

## Education

### Bachelor's Degree in Information Technology

*Kafra El-Sheikh University* | Sep 2021 – May 2025

- Studied core subjects including Computer Networks, Data Structures, Operating Systems, and Software Engineering
- Gained solid understanding of LAN, WAN, TCP/IP, DNS, DHCP, and Network Security basics

- Applied theoretical knowledge through labs and academic projects

### **Graduation Project:**

#### Simulation & Penetration Testing

- Built a simulated network environment
  - Performed basic penetration testing scenarios to analyze vulnerabilities
  - Gained exposure to security concepts and network defense
- 

### **Training & Scholarships**

#### **NTI – Microsoft Azure Administration Scholarship**

- Managing Azure Virtual Machines and Virtual Networks
  - Configuring storage accounts and backups
  - Understanding Azure Active Directory and identity services
  - Monitoring resources and applying basic security best practices
- 

### **Technical Skills**

#### **Networking**

- TCP/IP, DNS, DHCP
- LAN & WAN Concepts
- Network Troubleshooting

#### **Operating Systems**

- Windows Server
- Windows 10 / 11
- Basic Linux knowledge

#### **Cloud & Virtualization**

- Microsoft Azure
- Virtual Machines

- Virtual Networks

## Tools & Technologies

- Cisco Packet Tracer
  - Git & GitHub
  - Visual Studio Code
  - Chrome DevTools
- 

## Soft Skills

- Strong communication skills
  - Ability to work under pressure
  - Teamwork and collaboration
  - Good time management
  - Fast learner
- 

## Additional Information

- Career-focused on Networking, IT Infrastructure, and Cloud Administration
  - Strong interest in Microsoft Azure and cloud technologies
  - Willing to learn new tools and adapt to different work environments
- 

## Languages

- Arabic: Native
- English: Good
